CEO MESSAGE

"Success is built on what you learn every day."

At LGS Insight, we believe that the true strength of any organization lies in the continuous development of its people. In today's rapidly evolving business landscape, the ability to learn, adapt, and innovate is no longer optional it is essential for sustainable success.

We work closely with corporate partners to design tailored training solutions that align with their strategic goals. From leadership development to digital transformation, our programs are designed to equip teams with the tools and mindset required to thrive in a competitive environment. We are dedicated to shaping future ready professionals who contribute to organizational success and economic progress.

ABOUT US—LGS INSIGHT

LGS Insight is a forward-thinking corporate training and professional development company committed to empowering individuals and organizations with the skills required to thrive in today's dynamic business environment. With a strong focus on innovation, practical learning, and industry relevance, we specialize in delivering high-impact training solutions for the corporate sector and financial institutions.

At LGS Insight, we understand the evolving needs of the corporate landscape. Our training solutions are tailored to enhance productivity, improve decision-making, and strengthen organizational performance. We work closely with financial institutions, multinational corporations, and growing enterprises to design programs that align with their strategic goals and industry demands.

Our team of experienced trainers, industry professionals, and subject matter experts brings deep knowledge and practical expertise to every session. We are dedicated to delivering excellence, fostering innovation, and creating meaningful learning experiences that drive measurable results.

At our core, LGS Insight is not just a training provider. We are a partner in growth, committed to developing talent, transforming organizations, and contributing to the success of the corporate community.

OUR VISION

At LGS Insight, we are a team of professionals with international business experience, dedicated to supporting corporates, organizations, and individuals in achieving their business and professional goals. We provide customized business consultancy, professional training, and career development services, always upholding the highest ethical standards and delivering quality solutions at competitive costs.

We invest in attracting top local and international talent, fostering transparency, fair practices, and positive contributions from all team members. Committed to corporate social responsibility and sustainable practices, LGS Insight ensures that its services contribute positively to the communities and regions it serves.

OUR MISSION

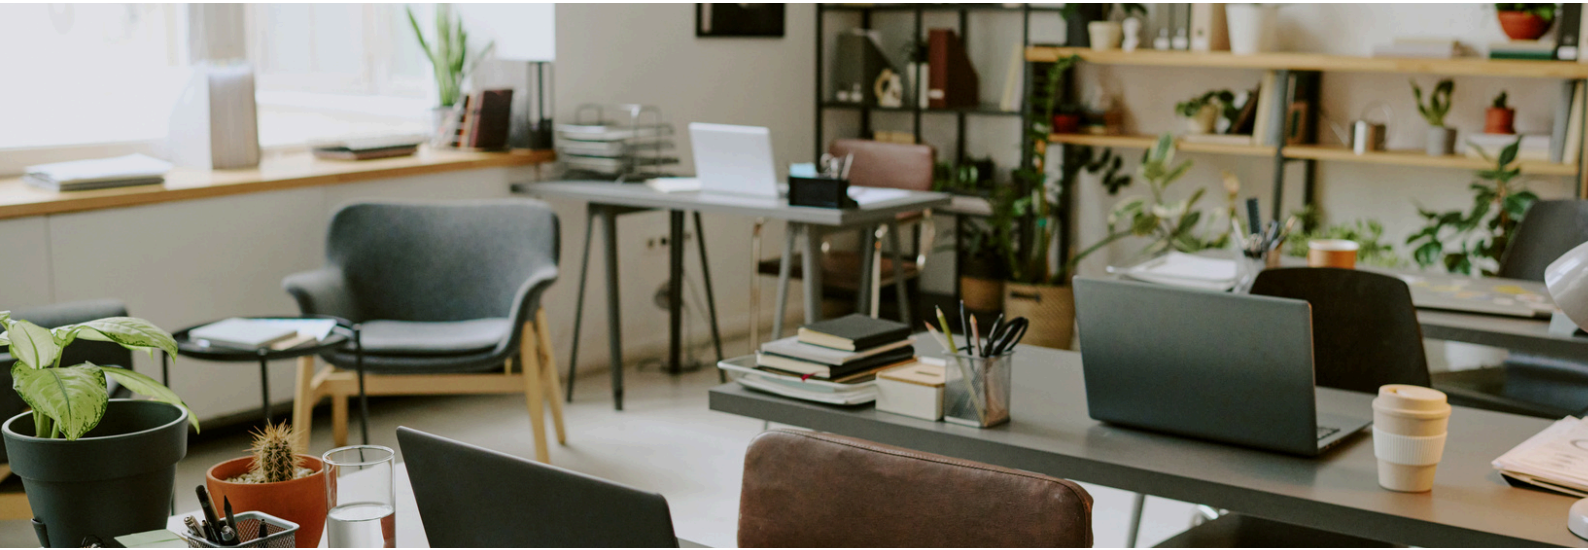

At LGS Insight, our mission is to deliver impactful learning and consulting solutions that build long-term value for organizations. We aim to work as a dependable growth partner for our clients by offering services that are practical, timely, and aligned with real business needs.

We operate with a strong sense of responsibility and transparency, ensuring that every engagement is handled with professionalism and clear accountability. Our focus remains on assignments where we can deliver meaningful outcomes through our knowledge, experience, and technical capability.

By continuously strengthening our internal processes and investing in the development and engagement of our people, we create solutions that drive performance, enable informed decision-making, and support sustainable organizational progress.

INTRODUCTION

Meet Our CEO MS. SAIMAH HAFEEZ

Ms. Saimah Hafeez holds the position of Chief Executive Officer (CEO) at LGS Insight. She is a distinguished Fellow Member of ICMA International. With over 15 years of professional experience, Miss Saimah has worked across diverse industries, including banking, textile, and education. Miss Saimah is recognized for her leadership, strategic vision, and ability to motivate teams, ensuring operational excellence and superior client satisfaction. Her proficiency in digital marketing and e-commerce further strengthens her capability to manage modern business operations efficiently.

Ms. Saimah Hafeez has trained thousands of professionals and students, both on-site and online, through leading university and institutional platforms on various e-commerce business models. She has also successfully guided and supported numerous e-commerce ventures, enabling them to achieve profitability and sustainable growth through practical strategies and hands-on mentorship.

Ms. Saimah Hafeez is a seasoned professional with proven success in market research, policy-making, and business growth strategies. She manages the firm's administrative landscape with a focus on modern efficiency and meticulous detail. Committed to total customer satisfaction, Saimah leverages her strong communication skills to maintain excellent client relations and drive the firm's reputation for reliability.

“Success becomes meaningful when it goes beyond results and transforms into positive influence for people and communities.”

At LGS Insight, we strive to not only provide top-notch services, but to make a positive impact on our clients and the community as a whole.”

MEET THE TEAM

Mr Umair Fareed **Board of Director**

Mr. Umair Fareed serves as a Member of the Board of Directors at LGS Insight and is a seasoned finance professional with over 15 years of extensive experience in leading FMCG organizations, including Dairyland, Hilal Foods, and Candyland. He is an Associate Chartered and Management Accountant (ACMA) from ICMA International, bringing strong technical expertise and strategic insight to the organization, particularly in modern financial and digital practices. Mr. Fareed is a highly regarded professional trainer, delivering advanced-level workshops on Power Business Intelligence (BI) and Financial Modeling. He has conducted training sessions across large industry platforms in both in-house and open-house formats, contributing significantly to executive and professional capacity building.

His professional expertise spans key financial disciplines, including costing, budgeting, budgetary controls, variance analysis, cash flow management, and strategic decision-making. With hands-on experience in Power BI and SAP S/4HANA, Mr. Fareed adds substantial value to LGS Insight through his deep understanding of data-driven financial management and enterprise systems.

MEET THE TEAM

Mr Muhammad Kashif **Board of Director**

Mr. Muhammad Kashif serves as a Member of the Board of Directors at LGS Insight and is a highly accomplished Finance and Business Intelligence professional with over 20 years of experience in corporate finance, analytics, and capacity building. He is a Fellow Member of ICMA Pakistan, bringing strong strategic and governance insight to the organization. Mr. Kashif specializes in data wrangling, automation, advanced analytics, data visualization, and data storytelling, enabling organizations and professionals to transform complex data into actionable business intelligence. His expertise supports informed decision-making at both strategic and operational levels.

As an International Power BI Trainer, he has delivered live online training programs to over 2,000 professionals across 56 countries, engaging participants from South East Asia, the Middle East, and Europe. In addition, he provides executive coaching to senior finance leaders, including CFOs, enhancing their analytical and visualization capabilities.

Mr. Kashif is also an International Udemy Instructor, with his course “Advanced Sales Analytics for Decision Making” attracting 19,700+ learners from 151 countries, reflecting his global reach and impact in the field of data and analytics

MEET THE TEAM

Mr. Haider Imam
Managing Director, LGS Insight

Mr. Haider Imam is a seasoned tax and corporate compliance professional with over 16 years of experience in taxation, corporate consultancy, accounting, and regulatory compliance. He has advised both local and multinational organizations on Pakistan's tax laws and corporate regulations and has represented clients before tax authorities and appellate forums.

He currently serves as Partner – Tax at Imam Associates, overseeing taxation services across Karachi, Lahore, and Islamabad. He is also a member of the Executive Committee of the Karachi Tax Bar Association, reflecting his active role in the professional tax community.

As Managing Director of LGS Insight, Mr. Haider Imam provides strategic leadership and governance, contributing industry expertise that strengthens the organization's advisory, training, and professional development initiatives.

MEET THE TEAM

Mr Haris Jafri **COO/Chief Operating Officer**

Mr. Haris Jafri is a results-oriented technical trainer and business leader, currently serving as the Chief Operating Officer (COO) at LGS Insight, where he plays a key role in managing operations, academic delivery, and training excellence with efficiency and professionalism.

He is a graduate of NED University of Engineering & Technology and is currently pursuing a Master's degree in Data Science from Mohammad Ali Jinnah University. With a strong academic foundation and extensive industry exposure, he is known for simplifying complex technical concepts into structured, practical learning experiences for non-programmers and early-career professionals.

Mr. Haris specializes in training Python for Beginners, Python for Data Analysis, Machine Learning Fundamentals with integrated mathematics and code, Foundational Mathematics for Data Science, and Git Version Control Systems, covering complete workflows from local to remote repositories. His teaching approach emphasizes hands-on learning, logical progression, and real-world application to ensure lasting skill development.

With over eight years of professional experience in engineering and project management and five years of focused experience in data science education, he effectively bridges the gap between technical theory and industry practice. In addition to structured programs, he designs customized training solutions aligned with organizational goals and practical use cases, ensuring measurable outcomes and sustainable skill growth.
